# ONE OF OUR OWN SHOWCASED ON HBO!

By: Kevin Kelly, Chairperson, NPA Research & Education

I happened to be watching a show on HBO called 'Wyatt Cenac's Problem Areas'. A new show on HBO, it is hosted by Cenac, an Afro-American comedian known for his 'heady' humor. The show tackles racial issues in America, as well as social issues. It was very engaging, and at some point, it really garnered my interest, because I recognized someone Cenac was interviewing well into the half hour show. That distinctive grey immaculate hairdo. Impeccable attire. Radiant beauty. And that voice. That voice that has chided me on numerous occasions when I played a wrong card. There was no mistaking who this was. The one and only Gloria Lewis-Randall!

Is this really her I'm seeing on HBO?! Indeed. Cenac was interviewing her about her involvement in the Birmingham, AL civil rights movement, and she represented herself as only she could... with class, intelligence, and dignity. I was riveted as she recanted the story of how she had to endure fire hoses and the hotbox treatment at the hands of the police. She told the story matterof-factly and with a determination that demanded vour attention.

I was so proud of her. If you ask me, she is not on TV enough. She has a presence that commands respect, and she can serve as living proof to a time when standing up for your rights as a black person in this country led to physical harm and

in some cases - death. Young people today could learn much from her. Kudos to you, Gloria. You are a living treasure, and I appreciate what you are and who you are. And the fact that you are a darn good pinochle player. God bless you.

# FROM THE DESK OF THE NATIONAL TOURNAMENT DIRECTOR

The 2018 World Series of Pinochle will take place on Friday, May 24, 2018, during the Memorial Day Tournament week in Atlanta, GA. The tournament is sponsored by NPA and is a premiere Pinochle Championship, where 64 players vie for that all-elusive title of "Champion".

This competition follows a round-robin styled format that begins with 64 players who are ultimately reduced to the Final Four (4), using a process of elimination. Each player will compete in at least 6 games before the elimination process goes into effect. At that point, the losers are eliminated from the competition 2 by 2, until only 4 players remain. The remaining 4 will compete in the final rounds. The player with the most points after the final round of play will be declared "The Champion".

If you didn't put the "P" in Pinochle, or consider yourself "Queen" of Pinochle, or "King" of Pinochle, or even the "World's Greatest" Pinochle Player, don't worry, you can still compete in this event. The only criterion is that you must have played in at

least one sanctioned tournament within the year. For detailed information on the tournament's format and rules, please download the 2018 World Series of Pinochle flyer and rules from NPA's website at npapinochle.org, or contact Arlene Avent, National Tournament Director at arleneavent@bellsouth.net

See you in Atlanta!!

#### Greetings,

It's a new year and a new season of the year. With all things new, this is a good time to remind you that it's almost time to consider new applicants for NPA scholarships. It seems like only yesterday that we were honored to present scholarships to very qualified applicants from our NPA family. For members who have children, grandchildren, and/or great grandchildren who are considering entering college, now is the time to carefully review the scholarship application and the application process as it is shown on the NPA website. Now is also a great time to develop or construct a checklist of all that is required to complete the application, and to begin the process of gathering vital materials.

Respectfully, NPA Scholarship Committee
